If there wouldn't be any major changes to the current language in the bill, just draft a simple amendment. Thank you.

I believe that you are right about the ambulance drivers; not all of them are EMS personnel. Would you like a simple or a substitute amendment?

Madelon:

I am writing in regards to AB 114, relating to tuition remission. In your drafter's note you had indicated that ambulance service providers are businesses, not individual EMS technicians, and therefore you did not include them in the bill. That is fine with me. However, what if we wanted to include "ambulance drivers"? Not all ambulance drivers are EMS personnel, but I believe we may want to include them in this bill. Unless you have a reason why we shouldn't, can you please draft an amendment that would include "ambulance drivers" in AB 114?

Thank you!
